REPLY UNDER 37 CFR 1.111

Commissioner of Patents & Trademarks
Washington, D.C. 20231

Sir:

In response to the Patent Office Action, Paper No. 7, dated May 16, 1994, reconsideration of the rejection of Claims 1-19 in the above-identified application for the Reissue of US Patent 4,855,127, is requested for the reasons indicated below.

REMARKS

This reply is in response to the Office Action dated May 16, 1994.

The Examiner has again indicated that the reissue declaration remains "defective" under 37 CFR 1.175(a)(5), in that according to the Examiner, it has "set forth no test data or other evidence which indicates, that the pheromones of the specification are liquid". However, it is pointed out that such "evidence" is common knowledge. Thus, applicants enclose herewith a copy of several pages from Hawley's Condensed Chemical Dictionary, Twelfth Edition, Van Nostrand Reinhold Company, 1993; and a brief
